

## Project for 6th-8th grade

One worksheet per student please. Worksheets must be completed and delivered to a North Central Bank location by the end of the current month to be eligible.

## Expanded Form

Write the numbers in expanded form.

| 1.  | 36.35 |      |                  |        | result for |        | -        |           |
|-----|-------|------|------------------|--------|------------|--------|----------|-----------|
|     |       |      |                  |        |            |        |          | . * .     |
|     |       |      |                  |        |            |        |          |           |
| 3.  | 95.38 | <br> |                  |        |            |        |          |           |
|     |       |      |                  |        |            |        |          |           |
| 4.  | 66.59 |      |                  |        |            |        | gr. 12-1 |           |
| 5.  | 13.59 | <br> |                  |        |            |        |          |           |
|     |       |      |                  |        |            |        | , ; š.   | 19<br>(2) |
| 7.  | 56.49 |      | 14 (*)<br>15 (*) |        | _ = 79     |        | - 3      |           |
|     | 24.56 |      |                  |        |            |        |          |           |
| 8.  | 34.56 |      |                  |        |            |        |          |           |
